Homeowners Association**

c/o Annandale Management Company, 7825-A Patriot Dr, Annandale, VA

Architectural Review Board

**Application for Review
Exterior Change or Addition**

Article VI of the Declaration of Covenants, Conditions and Restrictions establishes procedures for landowners within the subdivision to make exterior changes or additions to their property. Before any alteration or addition is made, a written application must be submitted to the Architectural Review Board specifying certain information. Completion of this form will fulfill that requirement.

PLEASE NOTE: Answer all questions completely; an incomplete application cannot be reviewed.

The 60 day review period begins from the day the application is received by the Architectural Review Board, not the day it is mailed.

Name: _____ **Date:** _____

Street Address: _____ **Section #:** _____

Telephone No.: _____ **Lot #:** _____

What? What do you plan to build? Please describe it fully, explaining the material to be used, what the finished project will look like, etc. If needed, use a blank sheet of paper to draw a sketch.

Where? Where are you going to build, or add, your alteration? Please show as closely as possible the location relative to your house and property line. Projects that do not comply with County setback, height or other location requirements, cannot be permitted.

Color? What color will the finished product be? Please be specific; if more than one color (such as roof and siding) please stipulate.

When? When do you plan on completing the work?

- Approved
- Disapproved
- Additional Information Needed to Process Application

- Comments or Restrictions

If the project herein approved is not completed by _____ please contact

_____ for either an extension or a new application.

Approval for any project by the ARB does not in any way imply waiver or approval of Fairfax County requirements. Proper County permits and inspections are the responsibility of the homeowner as required by county code.
